- ☐ typographical
- ☐ minor

nature or character as more fully described below and occurred in good faith and correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination and a certificate of correction is requested.

2. Attached in duplicate is Form PTO-1050 with at least one copy being suitable for printing.

NOTE: Form PTO-1050, using the column and line number in the printed patent should be used exclusively regardless of the length or complexity of the subject matter. MPEP §1485.

NOTE: The patent grant should be retained by the patentee. The PTO does not attach the certificate of correction to the patentee's copy of the patent. The patent grant will be returned to the patentee if submitted. MPEP §1485.

3. The exact page and line number where the errors occur in the application file are:

In the application as filed September 9, 2003, the formula is incorrect in the following locations:
